

Safer Recruitment Policy

For all schools in Crofty Multi Academy Trust

Date of Drafting: May 2018

Adopted Date: May 2018

Review Date: May 2020

INTRODUCTION

The safe recruitment of staff in schools is the first step to safeguarding and promoting the welfare of children in education. Crofty Multi Academy Trust is committed to safeguarding and promoting the welfare of all pupils in its care. As an employer, the Trust expects all staff and volunteers to share this commitment.

AIMS AND OBJECTIVES

The aims of the Safer Recruitment policy are to help deter, reject or identify people who might abuse pupils or are otherwise unsuited to working with them by having appropriate procedures for appointing staff.

The aims of the Trust's recruitment policy are as follows:

- to ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position;
- to ensure that all job applicants are considered equally and consistently;
- to ensure that no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age;
- to ensure compliance with all relevant legislation, recommendations and

guidance including the statutory guidance published by the Department for Education (DfE), Keeping Children Safe in Education - September 2016 (KCSIE), the Prevent Duty Guidance for England and Wales 2015 (the Prevent Duty Guidance) and any guidance or code of practice published by the Disclosure and Barring Service (DBS); and

- to ensure that the School meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy.

The Trust has a principle of open competition in its approach to recruitment and will seek to recruit the best applicant for the job. The recruitment and selection process should ensure the identification of the person best suited to the job based on the applicant's abilities, qualification, experience and merit as measured against the job description and person specification.

The recruitment and selection of staff will be conducted in a professional, timely and responsive manner and in compliance with current employment legislation, and relevant safeguarding legislation and statutory guidance (including KCSIE 2016 and Prevent Duty Guidance).

If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant they must declare it as soon as they are aware of the individual's application and avoid any involvement in the recruitment and selection decision-making process.

The Trust aims to operate this procedure consistently and thoroughly while obtaining, collating, analysing and evaluating information from and about applicants applying for job vacancies.

ROLES AND RESPONSIBILITIES

It is the responsibility of the Trust Board to:

- ensure the School has effective policies and procedures in place for recruitment of all staff and volunteers in accordance with DfE guidance and legal requirements
- monitor the Trust's compliance with them.

It is the responsibility of the Headteacher or Senior Leader involved in recruitment to:

- ensure that safe recruitment procedures are followed and make sure all appropriate checks are carried out on all staff and volunteers.
- monitor contractors' and agencies' compliance with this document
- promote welfare of children and young people at every stage of the procedure.

The Trust Board has delegated responsibility to Headteachers to lead on all school based appointments. Responsibility for MAT central team appointments are delegated to the CEO. School Governors may be involved in staff appointments but the final decision will rest with the Headteacher.

Definition of Regulated Activity and Frequency

Any position undertaken at, or on behalf of a School will amount to "regulated activity" if it is carried out:

- frequently, meaning once a week or more; or
- overnight, meaning between 2.00 am and 6.00 am; or
- satisfies the "period condition", meaning four times or more in a 30 day period; and
- provides the opportunity for contact with children.

A School is not permitted to check the Children's Barred List unless an individual will be engaging in "regulated activity". The MAT is required to carry out an enhanced DBS check for all staff, supply staff and governors who will be engaging in regulated activity. However, the MAT can also carry out an enhanced DBS check on a person who would be carrying out regulated activity but for the fact that they do not carry out their duties frequently enough i.e. roles which would amount to regulated activity if carried out more frequently.

RECRUITMENT AND SELECTION PROCEDURE

Advertising

To ensure equality of opportunity, the MAT will advertise all vacant posts to encourage as wide a field of applicant as possible; normally this entails an external advertisement.

Any advertisement will make clear the MAT's commitment to safeguarding and promoting the welfare of children.

All documentation relating to applicants will be treated confidentially in accordance with the MAT Retention Policy.

Application Forms

Each School uses the Crofty Multi Academy Trust application form and all applicants for employment will be required to complete an application form containing questions about their academic and full employment history and their suitability for the role (in addition all applicants are required to account for any gaps or discrepancies in employment history). **Incomplete application forms will not be shortlisted.**

The application form will include the applicant's declaration regarding convictions and working with children, and will make it clear that the post is exempt from the provisions of the Rehabilitation of Offenders Act 1974. CVs will not be accepted.

It is unlawful for a School to employ anyone who is barred from working with

children. It is a criminal offence for any person who is barred from working with children to apply for a position at a School. All applicants will be made aware that providing false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected, and referral to the police and/or the DBS.

Job Descriptions and Person Specifications

A job description is a key document in the recruitment process, and must be finalised prior to taking any other steps in the recruitment process. It will clearly and accurately set out the duties and responsibilities of the job role.

The person specification is of equal importance and informs the selection decision. It details the skills, experience, abilities and expertise that are required to do the job. The person specification will include a specific reference to suitability to work with children.

References

References for shortlisted applicants will be sent for immediately after shortlisting. The only exception is where an applicant has indicated on their application form that they do not wish their current employer to be contacted at that stage. In such cases, this reference will be taken up immediately after interview.

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory. One of the references must be from the applicant's current or most recent employer. If the current / most recent employment does / did not involve work with children, then the second reference should be from the employer with whom the applicant most recently worked with children. The referee should not be a relative. References will always be sought and obtained directly from the referee and their purpose is to provide objective and factual information to support appointment decisions.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children. Referees will also be asked to confirm that, to the best of their knowledge, the applicant has not been radicalised, do not support terrorism or hold any "extreme views" that do not uphold 'British values'.

Please note that no questions will be asked about health or medical fitness prior to any offer of employment being made.

Any discrepancies or anomalies will be followed up. Direct contact by phone will be undertaken with each referee to verify the reference.

The MAT does not accept open references, testimonials or references from relatives.

Interviews

There will be a face-to-face interview wherever possible, and a minimum of two

interviewers will see the applicants for the vacant position. The interview process will explore the applicant's ability to carry out the job description and meet the person specification. It will enable the panel to explore any anomalies or gaps have been identified in order to satisfy themselves that the chosen applicant can meet the safeguarding criteria (in line with Safer Recruitment Training).

Any information in regard to past disciplinary action or allegations, cautions or convictions will be discussed and considered in the circumstance of the individual case during the interview process.

At least one member of any interviewing panel will have undertaken Safer Recruitment Training or refresher training as applicable.

All applicants who are invited to an interview will be required to bring evidence of their identity, address and qualifications. Only Original documents will be accepted and photocopies will be taken. Unsuccessful applicant documents will be destroyed six months after the recruitment programme.

OFFER OF APPOINTMENT AND NEW EMPLOYEE PROCESS

In accordance with the recommendations set out in KCSIE, the MAT and its schools carry out a number of pre-employment checks in respect of all prospective employees.

If it is decided to make an offer of employment following the formal interview, any such offer will be conditional on the following:

- the agreement of a mutually acceptable start date and the signing of a contract incorporating the MAT's standard terms and conditions of employment;
- verification of the applicant's identity (where that has not previously been verified);
- the receipt of two references (one of which must be from the applicant's most recent employer) which the MAT considers to be satisfactory;
- for positions which involve "teaching work":
 - i. the School being satisfied that the applicant is not, and has never been, the subject of a sanction, restriction or prohibition issued by the National College for Teaching and Leadership, or any predecessor or successor body, or by a regulator of the teaching profession in any other European Economic Area country which prevents the applicant working at the School or which, in the School's opinion, renders the applicant unsuitable to work at the School; and
 - ii. the School being satisfied that the applicant is not, the subject of any proceedings before a professional conduct panel or equivalent body in the UK or any other country for any reason which prevents the applicant working at the School or which, in the School's opinion, renders the applicant unsuitable to work at the School;
- where the position amounts to "regulated activity" the receipt of an

enhanced disclosure from the DBS which the School and MAT considers to be satisfactory;

- where the position amounts to "regulated activity" confirmation that the applicant is not named on the Children's Barred List;
- confirmation that the applicant is not subject to a direction under section 142 of the Education Act 2002 which prohibits, disqualifies or restricts them from providing education at a school, taking part in the management of a school or working in a position which involves regular contact with children;
- confirmation that the applicant is not subject to a direction under section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts them from being involved in the management of a school;
- verification of the applicant's medical fitness for the role;
- verification of the applicant's right to work in the UK;
- any further checks which are necessary as a result of the applicant having lived or worked outside of the UK; and
- verification of professional qualifications which the School deems a requirement for the post, or which the applicant otherwise cites in support of their application (where they have not been previously verified).

A personal file checklist will be used to track and audit paperwork obtained in accordance with Safer Recruitment Training. The checklist will be retained on personal files (appendix 1).

The Rehabilitation of Offenders Act 1974

The Rehabilitation of Offenders Act 1974 does not apply to positions which involve working with, or having access to pupils. Therefore, any convictions and cautions that would normally be considered 'SPENT' **must be** declared when applying for any position with the Crofty MAT.

DBS (Disclosure and Barring Service) Certificate (formerly known as CRB Disclosure)

The MAT applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information.

It is the MAT's policy that the DBS disclosure **must be** obtained before the

commencement of employment of **any** new employee.

It is the MAT's policy to re-check employee's DBS Certificates of any employee that takes leave for more than three months (ie: career break etc) must be re-checked before they return back to work.

Members of school staff are aware of their obligation to inform the Headteacher of any cautions or convictions that arise between these checks taking place. MAT central staff will inform the CEO.

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence.

Portability of DBS Certificates Checks

Staff may wish to join the DBS Update Service if they are likely to require another check in the future. Applicants may sign up to the Service if their check was issued after 17 June 2013, for a fee of £13 per annum, which is payable by the applicant.

Copies of DBS Checks

The DBS no longer issue Disclosure Certificates to employers, therefore school employees/applicants should bring their Certificate to the school office/headteacher (for employees within 7 days of issue or applicants before they commence work or any project involving regulated activity).

Dealing with convictions

The MAT operates a formal procedure if a DBS Certificate is returned with details of convictions. Consideration will be given to the Rehabilitation of Offenders Act 1974 and also:

- the nature, seriousness and relevance of the offence;
- how long ago the offence occurred;
- one-off or history of offences;
- changes in circumstances,
- decriminalisation and remorse.

A formal meeting will take place face-to-face to establish the facts with the Headteacher. A decision will be made following this meeting. In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the Headteacher will evaluate all of the risk factors above before a position is offered or confirmed.

If an applicant wishes to dispute any information contained in a disclosure, they may do so by contacting the DBS. In cases where the applicant would otherwise be offered a position were it not for the disputed information, the School may, where practicable and at its discretion, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

Proof of identity, Right to Work in the UK & Verification of Qualifications

and/or professional status

All applicants invited to attend an interview will be required to bring their identification documentation such as passport, birth certificate, driving licence etc. with them as proof of identity/eligibility to work in UK in accordance with those set out in the Immigration, Asylum and Nationality Act 2006 and DBS identity checking guidelines. The MAT does not discriminate on the grounds of age.

Where an applicant claims to have changed their name by deed poll or any other means (e.g. marriage, adoption, statutory declaration) they will be required to provide documentary evidence of the change.

In addition, applicants must be able to demonstrate that they have actually obtained any academic or vocational qualification legally required for the position and claimed in their application form.

Medical Fitness

The MAT is legally required to verify the medical fitness of anyone to be appointed to a post at the School, **after** an offer of employment has been made but **before** the appointment can be confirmed.

All applicants are requested to complete a medical questionnaire and where appropriate a doctor's medical report may be required. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence and considering reasonable adjustments.

Induction Programme

All new employees will be given an induction programme which will clearly identify the relevant policies and procedures, including the Child Protection Policy, the Code of Conduct and Part One of KCSIE, and all other policies as listed on the induction programme and make clear the expectations which will govern how staff carry out their roles and responsibilities.

Single Central Record

In addition to the various staff records kept in School and on individual personnel files, a single centralised record of recruitment and vetting checks is kept in accordance with KCSIE (September 2016). This is kept up-to-date and retained by each school office and the MAT Central Office for central employees. The Single Centralised Record will contain details of the following:-

- All employees who are employed to work at the School;
- all employees who are employed as supply staff to the School whether employed directly or through an agency;
- all others who have been chosen by the School to work in regular

contact with children. This will cover volunteers, Governors, peripatetic staff and people brought into the School to provide additional teaching or instruction for pupils but who are not staff members eg: sports coaches etc.

Each term the designated Governor for safeguarding will be responsible for auditing the Single Centralised Record and reporting his/her findings to the full Governing Body and Headteacher. The person responsible for updating the Single Centralised Record will receive training each six months (minimum). Within a week of having received the training, a fellow colleague, from another school within Crofty Multi Academy Trust (as assigned by the central MAT DSL), will work alongside to audit the Record.

Record Retention / Data Protection

Crofty MAT and its schools are legally required to undertake the above pre-employment checks. Therefore, if an applicant is successful in their application, the School or Central office will retain on their personnel file any relevant information provided as part of the application process. This will include copies of documents used to verify identity, right to work in the UK, medical fitness and qualifications. Medical information may be used to help the MAT to discharge its obligations as an employer e.g. so that a School may consider reasonable adjustments if an employee suffers from a disability or to assist with any other workplace issue.

This documentation will be retained by the School or MAT for the duration of the successful applicant's employment. All information retained on employees is kept centrally in the School Office or MAT office in a locked and secure cabinet.

The same policy applies to any suitability information obtained about volunteers involved with School activities.

The MAT Schools will retain all interview notes on all unsuccessful applicants for a period of 6 months, after which time the notes will be confidentially destroyed (ie: shredded). The 6-month retention period is in accordance with the Data Protection Act 1998.

Ongoing Employment

Crofty MAT recognises that safer recruitment and selection is not just about the start of employment, but should be part of a larger policy framework for all staff. The MAT and its Schools will therefore provide ongoing training and support for all staff, as identified through the Annual Review/appraisal procedure.

Leaving Employment

Despite the best efforts to recruit safely there will be occasions when allegations of serious misconduct or abuse against children and young people are raised. This policy is primarily concerned with the promotion of safer recruitment and details the pre-employment checks that will be undertaken prior to employment being confirmed. Whilst these are pre-employment checks the MAT also has a legal duty to make a referral to the DBS in circumstances where an individual:

- has applied for a position at a MAT School despite being barred from working with children; or

- has been removed by a MAT School from working in regulated activity (whether paid or unpaid), or has resigned prior to being removed, because they have harmed, or pose a risk of harm to, a child.

If the individual referred to the DBS is a teacher, a School may also decide to make a referral to the National College for Teaching and Leadership.

Contractors and agency staff

Contractors engaged by a MAT School must complete the same checks for their employees that a MAT School is required to complete for its staff. A MAT School requires confirmation that these checks have been completed before employees of the Contractor can commence work at a School. Evidence of this will be given to a school in the form of a 'letter of assurance'.

Agencies who supply staff to a MAT School must also complete the pre-employment checks which a School would otherwise complete for its staff. Again, a School requires confirmation, via a 'letter of assurance', that these checks have been completed before an individual can commence work at a School.

A School will independently verify the identity of staff supplied by contractors through a Letter of Assurance in conjunction with the Contractors Code of Conduct and Health and Safety Standards and Site Rules and agency staff through a Letter of Assurance.

Visiting Speakers (and Prevent Duty)

The Prevent Duty Guidance requires Schools to have clear protocols for ensuring that any visiting speakers, whether invited by staff or by pupils, are suitable and appropriately supervised.

A School is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in regulated activity at the School or perform any other regular duties for or on behalf of the School.

REMOVED

Croft MAT does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

Volunteers

Schools will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking regulated activity with pupils at or on behalf of the School (the definition of regulated activity set out above will be applied to all volunteers).

Under no circumstances will a School permit an unchecked volunteer to have unsupervised contact with pupils.

It is the MAT's policy that a new DBS certificate is required for volunteers who will engage in regulated activity but who have not been involved in any activities with a School for three consecutive months or more. Those volunteers who are

likely to be involved in activities with a School on a regular basis may be required to sign up to the DBS update service as this permits a School to obtain up to date criminal records information without delay prior to each new activity in which a volunteer participates.

In addition, a School will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. This may include (but is not limited to) the following:

- formal or informal information provided by staff, parents and other volunteers;
- character references from the volunteer's place of work or any other relevant source; and
- a safer recruitment interview.

Monitoring and Evaluation

Each Crofty MAT school's Headteacher and Safeguarding Governor will be responsible for ensuring that this policy is monitored and evaluated throughout their School. The Crofty Multi Academy Trust (MAT) will also action an external safeguarding review to be carried out annually by an appropriately trained professional as deemed appropriate by the MAT Chief Executive Officer.
