### Headteacher message –

It has been so lovely to return to school again with super high attendance and our gorgeous weather. Thank you for your support in making sure that your children attend on time and every single day they are well enough to attend. With school closure and disruption this year we need to make every moment count and we trust that you will restrict any family holidays to the school holiday period.

I am amazed that it is already the summer term. It fills my heart with joy to see children outside enjoying our amazing outdoor spaces. We've all realised that, although it looks beautifully sunny, it can be very cold here so please continue to send in coats to protect against that easterly wind. As soon as the sun gains intensity we will be expecting children to bring sun hats and to have long lasting sun cream applied before they come to school. Children's skin is so fragile and precious and we must do all we can to protect it.

This weekend we have a Bank Holiday on Monday and we hope you enjoy a lovely family day. At Illogan School we are supporting the Captain Tom 100 Challenge. Everyone of all ages and abilities is invited to dream up a challenge based around the number 100 and complete it in school on Friday 30 April or over Captain Tom's birthday weekend through to Bank Holiday Monday 3 May as a family.

Everyone is encouraged to join in Captain Tom 100 and 'do it your way' from Friday 30 April; whether that's running 100 metres, learning how to count to 100 in a foreign language, writing a 100-word poem, giving 100 compliments, reading for 100 minutes or bouncing a ball 100 times, raising £100 for charity - anything at all, inside or outside (but in line with current social distancing guidelines, of course!).

I hope you will share photos of your chosen challenge with me via Class Dojo so that we can see what you choose to get up to. Have fun.

Illogan School, throughout the year, distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not endorse these services.

**Congratulations**

Well done to Hope Knuckey in Year 3 & her sister Grace for being awarded Morrison's Little Sunshine Award. They've been going the extra mile by spreading hope through the pandemic. They've been growing herbs and giving them to their neighbours. They also made cupcakes and Easter cards for their neighbours. Well done girls!
