

**ILLOGAN PRIMARY SCHOOL  
LOCAL GOVERNING BODY (LGB)  
Vacancies for School Governors**

***Do you want to help make a difference?  
Can you spare some time to help us?***

***Would you like to take on a new challenge to support your local community?***

If you would like to help the school improve the lives and outcomes for local children and their families then we would like to hear from you.

You do not need previous experience of governance, education, be a parent or have qualifications – *just the motivation to make a difference and the willingness to commit your time and energy.*

You will join a team of like-minded people on the LGB and share the opportunity to acquire new skills and knowledge – helping to ensure a strong community involvement in the school. Illogan Primary School is one of nine schools forming part of Crofty Multi Academy Trust.

***What is the time commitment required?***

Being a Governor involves a combination of the following:

- attending meetings – usually a minimum of 6 a year (*currently these are held using Zoom*)
- reading papers in advance of meetings / responding to emails
- signing up to a code of conduct and to follow a set of principles for public life (*“the Nolan Principles”*)
- visiting the school, meeting staff and reporting back to the LGB
- undergoing training to develop your knowledge and understanding

***How does Governance actually work?***

Governance works in partnership with all the school and Trust employees (teachers, classroom assistants, support staff, managers) to deliver the best outcomes for every pupil and their families, through outstanding teaching, ensuring child safety and providing first class facilities.

***The main responsibilities of the LGB are:***

- Monitor the progress of every pupil and the school as a whole – but especially those pupils who are disadvantaged in any way
- Monitor the safety and wellbeing of every pupil and member of staff
- Engage with pupils, parents and staff to understand their views and experiences of the school / Trust
- Assist the Board by reporting any issues and concerns
