Dear Parents and Carers

Parent Consultations

The teachers very much enjoyed meeting you all at parent consultations last week and found the opportunity to share information very valuable. I understand that there are advantages and disadvantages to our new consultation system, I would very much welcome feedback to help us improve things and make it as effective as possible. If you would like to share your thoughts please feel free to message me on Dojo.

Year 6 will receive an invitation to consultations in the next few days.

Anti-bullying Week

This week we are marking National Anti-bullying week in our lessons and assemblies across the school this week. Lots of resources and support is available online and through this link [Information for parents](#). If you or your child have any concerns please talk to us.

Staff Changes

Mrs Blakemore has decided that the time has come to retire and will be leaving Illogan on 3rd December. It is difficult to describe the positive impact that Mrs Blakemore has had on hundreds of pupils over her 27 years at Illogan. She has served hundreds of breakfasts, nurtured many pupils through difficult times and made school a safe place to be for many. Thank you never seems like enough to say but Mrs Blakemore we thank you and wish you a very long and happy retirement.

At the end of this term Mrs Abbott Smith will be leaving Illogan, she will be replaced by Mrs Aytoun. Mrs Aytoun will begin working at Illogan from Monday 27th November alongside Mrs Abbott Smith to get to know the pupils and ensure a smooth transition. Thank you, Mrs Abbott Smith, for your hard work this term and we wish you the very best for your future career.

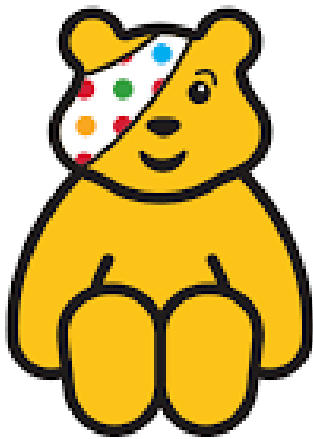

From January Mr Warren from Treloweth School will be joining Illogan school for two terms to work within the leadership team. This will support our capacity to continue to improve and develop, enabling me to continue as your headteacher until a permanent appointment is made whilst continuing to fulfil my MAT responsibilities.

Illogan School, throughout the year, distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not endorse these services.
